Website Disclaimer

The contents of this website (“Website”) are intended to provide general guidance on matters of interest and the services provided by Dotforge (including Traction central Ltd, Dotforge accelerators ltd and Dotforge accelerators LLP collectively referred to herein and on this Website in general as “Dotforge”, “us”, “we” or “our”) and you should not act or refrain from acting upon any information contained on it without seeking appropriate professional advice. Nothing on this Website constitutes advice, nor does the transmission, downloading or sending of any information create any contractual relationship.

The Website is provided on an “as is” basis and Dotforge does not guarantee or warrant that the Website or the information contained on it is complete or free of errors or viruses or that access to the Website will be uninterrupted or without delay. Dotforge accepts no liability or responsibility whatsoever for any loss or damage arising as a result of any decision or action taken or refrained from as a result of information contained on the Website or as a result of your use or misuse of the Website.

Links to third party websites are provided as a convenience to the reader and Dotforge does not control and is not responsible for any of those websites or their content. Any social media posts or comments are subject to the terms of the relevant social media platform. We are not responsible for this kind of sharing and encourage you to view the privacy policy and terms of use for each platform.

All copyright, trademarks and other intellectual property rights in the Website and its content (including without limitation the Website design, text, graphics and all software and source codes connected with the Website) are owned by or licensed to Dotforge or otherwise used by Dotforge as permitted by law. Should a user of the Website download material on the Website for personal or non-commercial use, the user must retain all copyright, trademark or other similar notices contained in the original material or any copies of the material. Save as expressly permitted in this paragraph, material on the Website may not be downloaded or used for any public or commercial purpose without the prior written permission of Dotforge and nothing in this Website should be construed as conferring any licence or right to use any trademark or copyright of Dotforge or any of its related entities.

This legal statement and all terms and conditions on this Website are governed by and shall be construed in accordance with the laws of England and Wales.
